7. Come trovare i partner

<https://www.salto-youth.net/>

<https://www.salto-youth.net/tools/otlas-partner-finding/>

The screenshot shows the SALTO website homepage. At the top, there is a navigation bar with the SALTO logo and four main menu items: 'About SALTO' (Why? What? Where? When? Who?), 'Resource Centres' (Our activities and resources for you), 'Tools' (For European youth work and training), and 'MySALTO' (Login to your personal SALTO dashboard). Below the navigation bar, a banner reads 'The SALTO-YOUTH Resource Centres promote and support youth work by offering trainings, tools and state-of-art strategies'. The main content area is divided into three columns. The left column features a 'Toolbox for Training & Youth Work' section, describing it as an online catalogue of training tools. The middle column highlights a 'featured tool' called 'Preventing Early School Leaving through Digital Story Mapping', which uses digital story-maps for learning. The right column contains three links: 'Training Calendar' (for youth work projects), 'Otlas Partner Finding' (to find international partners), and 'Trainers Online for Youth' (to find a trainer). Below the main content area, there are two sections: 'Tweets from SALTO' featuring a tweet from @saltoparticipant about a webinar, and 'Subscribe to the SALTO newsletter' with a form to enter an email address and a checkbox for agreeing to receive communications.
